

## THOMAS H. MACDONALD MEMORIAL AWARD

Attached is the form to be used in submitting a nominee for consideration by the Thomas H. MacDonald Memorial Award Committee to receive the above subject award. The award will be presented during the awards ceremony at the 2004 AASHTO Annual Meeting scheduled to be held from September 17 to 21 in Philadelphia, Pennsylvania. Preparation of the award plaque is a lengthy process requiring several months to complete; therefore, it is necessary that nominations be received at the AASHTO office no later than **April 1, 2004**.

This award was established in 1957 to honor the long-time chief of the Bureau of Public Roads, and is focused on highways. It is considered to be the highest award made by AASHTO, and is given annually by the association. The award is made to persons active or retired who have been employed by one or more AASHTO member departments for a period of at least five years, who have rendered continuous outstanding service over an extended period of time or have made some exceptional contribution to the art and science of highway engineering.” Please note that the award criterion does not prohibit your department from submitting a nominee for consideration that was previously submitted.

A list of the recipients of the award is attached for your review.

Again, your nomination should be received at the AASHTO office in Washington, D.C. no later than **April 1, 2004** to receive consideration. Please provide one original and seven copies of the nomination form, including any attachments. Nominations will be accepted only from the Chief Executive Officers of the member departments. Please send the completed nomination form, up to four pages of documentation, and a 1-2 page letter signed by the member department Chief Executive Officer. All other materials will be discarded.

If you have any questions, please contact Donna Tamburelli of the AASHTO staff.
