**AASHTO TECHNICAL SERVICE PROGRAM INVOICES**

Mr. Carlos Braceras  
Director  
Utah Department of Transportation  
P.O. Box 141265  
Salt Lake City, Utah 84114-1265

Dear Mr. Braceras, *Carlos*

One of the most important ways in which AASHTO serves each member department, and their staff, is through the provision of Technical Service Programs (TSPs). Technical Service Programs provide benefits to the member departments through the pooling of resources and expertise from across the country. AASHTO currently offers 20 TSP's. This letter is to encourage your participation in funding the 17 AASHTO Technical Service Programs listed below. These TSP's are administered through AASHTO's Engineering and Technical Services Division and AASHTO's Policy Division (invoices attached). Three other TSPs (AASHTO re:source, AASHTOWare and the Census Transportation Planning Products (CTPP)) will be presented to you and your staff under separate correspondence.

Individual FY 2018 invoices are enclosed with this letter seeking voluntary contributions from your department to support the development and continued operation of each of these critical programs. Similar invoices are rendered each fiscal year. For more information on the Technical Service Programs, please see the enclosed descriptions, visit the TSP webpages, and select the link to the informational brochures.

In the meantime, if you have questions about any of these technical service program invoices or the services associated with these programs, please contact Keith Platte, Associate Program Director for Project Delivery, by email [kplatte@aahto.org](mailto:kplatte@aahto.org) or call him at 202-624-3697.

AASHTO would appreciate your response by October 1, 2017. As always, thank you for your continued support and interest.
