AASHTO TECHNICAL SERVICE PROGRAM INVOICES

Mr. Marc Luiken
Commissioner
Alaska Department of Transportation and Public Facilities
PO Box 112500
Juneau, Alaska 99811-2500

Dear Mr. Luiken,

One of the most important ways in which AASHTO serves each member department, and their staff, is through the provision of Technical Service Programs (TSPs). Technical Service Programs provide benefits to the member departments through the pooling of resources and expertise from across the country. AASHTO currently offers 19 TSPs, including the consolidation of the AASHTO Product Evaluation List (APEL) with the National Transportation Product Evaluation Program (NTPEP). This letter is to encourage your participation in funding the 16 AASHTO Technical Service Programs listed below. These TSPs are administered through AASHTO’s Engineering and Technical Services Division and AASHTO’s Policy Division (invoices attached). Three other TSPs (AASHTO Re:source, AASHTOWare and the Census Transportation Planning Products (CTPP)) will be presented to you and your staff under separate correspondence.

Individual FY 2019 invoices are enclosed with this letter seeking voluntary contributions from your department to support the development and continued operation of each of these critical programs. Similar invoices are rendered each fiscal year. For more information on the Technical Service Programs, please see the enclosed descriptions, visit the TSP webpages, and select the link to the informational brochures.

As AASHTO continues to move forward with the implementation of its Strategic Plan, we will remain diligent in seeking your input on where AASHTO can provide maximum value to each of its member departments through these already existing or new TSPs.

In the meantime, if you have questions about any of these technical service program invoices or the services associated with these programs, please contact Patricia Ng'ethe, Engineering Program Specialist, by email pngethe@ashto.org or call her at 202-624-5862.

AASHTO would appreciate your response by October 1, 2018. As always, thank you for your continued support and interest.

Sincerely,
