AASHTO TECHNICAL SERVICE PROGRAM INVOICES

Mr. John Halikowski
Director
Arizona Department of Transportation
206 South 17th Avenue Room 135
Phoenix, Arizona 85007-3213

Dear Mr. Halikowski,

One of the most important ways in which AASHTO serves each member department, and their staff, is through the provision of Technical Service Programs (TSPs). Technical Service Programs provide benefits to the member departments through the pooling of resources and expertise from across the country. AASHTO currently offers 20 TSP's. This letter is to encourage your participation in funding the 17 AASHTO Technical Service Programs listed below. These TSP's are administered through AASHTO's Engineering and Technical Services Division and AASHTO's Policy Division (invoices attached). Three other TSPs (AASHTO re:source, AASHTOWare and the Census Transportation Planning Products (CTPP)) will be presented to you and your staff under separate correspondence.

Individual FY 2018 invoices are enclosed with this letter seeking voluntary contributions from your department to support the development and continued operation of each of these critical programs. Similar invoices are rendered each fiscal year. For more information on the Technical Service Programs, please see the enclosed descriptions, visit the TSP webpages, and select the link to the informational brochures.
