AASHTO TECHNICAL SERVICE PROGRAM INVOICES

Ms. Melinda McGrath
Executive Director
Mississippi Department of Transportation
401 North West Street
Jackson, Mississippi 39201

Dear Ms. McGrath, *Melinda*

One of the most important ways in which AASHTO serves each member department and its staff is through the provision of Technical Service Programs (TSPs). Technical Service Programs provide benefits to the member departments through the pooling of resources and expertise from across the country. AASHTO currently offers 19 TSPs, including the consolidation of the AASHTO Product Evaluation List (APEL) with the National Transportation Product Evaluation Program (NTPEP). This letter is to encourage your participation in funding the 16 AASHTO Technical Service Programs listed below. These TSPs are administered through AASHTO's Engineering and Technical Services Division and AASHTO's Policy Division. Three other TSPs (AASHTO Re:source, AASHTOWare and the Census Transportation Planning Products (CTPP)) will be presented to you and your staff under separate correspondence.

Individual FY 2020 invoices are enclosed with this letter seeking voluntary contributions from your department to support the development and continued operation of each of these critical programs. Similar invoices are rendered each fiscal year. For more information on the Technical Service Programs, please see the enclosed informational brochure.

In the meantime, if you have questions about any of these technical service program invoices or the services associated with these programs, please contact Patricia Ng'ethe, Engineering Program Specialist, by email pngethe@ashto.org or call her at 202-624-5862.

AASHTO would appreciate your response by October 1, 2019. As always, thank you for your continued support and interest.

Sincerely,
