

AASHTO CELEBRATES STEELDAYS 2023

With a 20% Discount on AASHTO Publications!

PUBLICATIONS CATALOG

In support of the American Institute of Steel Construction during this year's SteelDays Celebration, AASHTO is pleased to offer our partners and colleagues in the structural steel industry a special **20% discount on all publications featured in our current [AASHTO Publications Catalog](#)**.

Our Publications Catalog features the numerous technical standards, specifications, and guidelines that we publish related to the design, construction, operation, maintenance, and administration of the nation's bridges, highways, streets, and other transportation structures and facilities.

[Click here](#) for a list of all 2023 AASHTO publication releases.

- **Save 20% on your order!**

AASHTO-NSBA STEEL BRIDGE COLLABORATION PUBLICATIONS

AASHTO and the National Steel Bridge Alliance (NSBA) work together to develop specifications, codes, standards, and policies in an effort to unify the existing, diverse requirements governing steel bridge construction. AASHTO-NSBA Steel Bridge Collaboration publications are available to download, free of charge, from the AASHTO Store.
