- 1 With an ODOT-approved driver ed course, you are **three times less likely to end up in a crash** – and you get **fewer tickets**.
- 2 It's **more fun** than sitting next to a hyperventilating parent.
- 3 Teens who take an approved driver ed course pay **lower insurance premiums**.
- 4 **Skip the DMV Drive Test** – Teens that complete the Approved Course just show their completion card at any DMV to **waive the test**.
- 5 You won't have to rely on **Mom** to get you to the prom.
