AASHTO TECHNICAL SERVICE PROGRAM INVOICES

Mr. Craig Thompson
 Secretary
 Wisconsin Department of Transportation
 4822 Madison Yards Way, S903
 Madison, Wisconsin 53705

Dear Secretary Thompson:

One of the most important ways in which AASHTO serves each member department and its staff is through the provision of Technical Service Programs (TSPs). The COVID-19 pandemic has impacted State DOT budgets nationwide, and AASHTO’s TSPs provide cost effective benefits to our member departments through the pooling of resources and expertise from across the country. AASHTO currently offers 20 TSPs, and this letter is to encourage your participation in funding the 17 AASHTO Technical Service Programs listed below. These TSPs are administered through AASHTO’s Engineering, Policy, and Safety and Mobility Divisions. Three other TSPs (AASHTO re:source, AASHTOWare, and the Census Transportation Planning Products (CTPP) program) will be presented to you and your staff under separate correspondence.

Individual FY 2022 invoices are enclosed with this letter seeking voluntary contributions from your department to support the development and continued operation of each of these critical programs. Similar invoices are rendered each fiscal year. For more information on the Technical Service Programs, please see the enclosed informational brochure.
