

ACCESS YOUR DOWNLOADABLE PDF PUBLICATION

STEP 1 of 3: "Purchase" (At \$0.00 Cost) Your Complimentary Downloadable PDF Publication

Before you can access this complimentary AASHTO downloadable PDF publication, one person—either you, the AASHTO Publications Gatekeeper, or a designee—will first need to purchase (at \$0.00 cost) this digital publication. **BE ADVISED** that whatever login/account information is used to initially purchase (at \$0.00 cost) this digital publication will be required each time you or a colleague subsequently opens the digital publication. *And, once a digital publication is initially purchased, it cannot be transferred between accounts.*

- Visit the AASHTO Online Store at <https://store.transportation.org>
- Click the My Account menu, and log in to your AASHTO Account by entering your AASHTO Account email address and password.
- Once you have logged into your AASHTO Account, enter the Item Code for the publication in the search box at the top of the page, and click the "Search" button.
- Click on the publication title to open the Publication Detail screen.
- On the Publication Detail section, select "PDF Download" in the Format box on the right of the screen, then enter the quantity of complimentary single-user licenses (shown in the transmittal email), and hit the "Add to Cart" button, followed by the "Go to Cart" button.
- At the bottom right of the Shopping Cart page, in the Enter Promo Code section, enter the 16-digit Promotion Code from the transmittal email in the space provided, and hit the "Apply" button. Once you hit the "Apply" button, the system will show your 100% discount and will adjust the price to \$0.00. Once your price has been adjusted to \$0.00, click "Proceed to Checkout."
- Because you are receiving this item at a cost of \$0.00 as a benefit of your AASHTO membership, you do not need to enter any payment information on the Checkout page. Simply click the "Review Order" button to proceed.
- Review your order to ensure that the Total Cost is \$0.00 and that you are placing the order with the AASHTO Account that you wish to use to provide access to the publication. If everything is correct, click "Place Order." If not, click "Clear Cart" or "Back" to make any changes.
- Once you place your order and purchase your digital publication (at \$0.00 cost), you are now ready to open your complimentary digital publication.

STEP 2 of 3: Open and Download Your Complimentary Downloadable PDF Publication

Once the complimentary digital publication has been initially purchased (at \$0.00), you can now open or download it.

- Click "My Account" at the top of any page on the AASHTO Store and select "My Publications."

NOTE: *If you have never accessed an AASHTO paid PDF download on your computer, you will need to download and install the FileOpen security plug-in for Adobe Reader. The plug-in is free, but installing it may require assistance from your IT department. The plug-in can be downloaded and installed from the "Get Security Plug-In" link on your "My Account" page or directly from the FileOpen Systems website at <http://plugin.fileopen.com>. The plug-in needs to be installed on each computer on which the publication will be viewed. However, it only needs to be installed once; you do not need to re-install it each time you receive a new publication. Once it is installed, return to your "My Publications" page.*

- You will see a list of all PDFs purchased through your Account. Click on the title of the publication that you just received (the list is organized in reverse order of purchase, so your new publication should be the first item on the list).
- Right-click on the "Download" link, select "Save link as..." ("Save target as..." in Internet Explorer), and choose a location on your computer or local network to save the PDF to. You may also rename the file if you wish.
- Find the copy of the PDF that you have saved and double-click to open it.
- A box will pop up asking for a username and password. Enter the same AASHTO Account login information you used to initially purchase (at \$0.00 cost) your digital publication.
- Your digital publication should now open. You may view it on-screen on your computer or print out a copy.

STEP 3 of 3: Share Your Complimentary Digital Publication With Your Co-Workers

Once the initial purchase of the complimentary digital publication is complete, it can now be accessed and viewed by a number of your co-workers at the same time equal to the number of licenses that you have. User licenses are not tied to a specific person or computer, which means that any time, up to the licensed quantity users can have the same digital publication open at the same time; these need not always be the same individuals. You can make an unlimited number of copies of the PDF file and put them on individual workstations, a shared network, an intranet, a content management system, or any other internal file management system. However, only the licensed number of copies of the PDF can be open at a time.

To allow your co-workers access to this complimentary digital publication, you will need to provide them with the following information. Be sure to record this information for future use, as both you and your co-workers will need this information each time you want to access the publication:

- The link to download the security plug-in if they do not already have it from a previous publication: <http://plugin.fileopen.com>
- The location to which you downloaded the PDF file.

- The login information you used to initially purchase (at \$0.00 cost) the complimentary digital publication, i.e., your AASHTO Account email address and password.

NOTE: *If you prefer that your co-workers not use your email address and password to login to the digital publication, you can, instead, provide them with alternate login information, the digital account number and password associated with your AASHTO Account. If you do not know your digital account number and password, you can obtain it by clicking "My Account" on the AASHTO Store, <https://store.transportation.org>, while not logged in, and following the "Forgot your password?" link. You will receive an email that contains both your AASHTO Account email address and password, as well as the digital account number and password. You can then share the digital account number and password with your co-workers, so that they can log in to the digital publication. The digital account number and password cannot be used to log in to your AASHTO account.*
